

HUMAN NUTRITION &  
HEALTH SOLUTIONS

## Human Nutrition & Health Solutions

Human Nutrition & Health Solutions business of Jubilant Ingrevia offers a basket of food ingredients including straight and premixes. They have been developed leveraging ingredients expertise, unmatched knowledge and years of research and development. We deliver nutritional and functional ingredient solutions, and tailored premixes for use in the food, nutrition and fortification market.

We understand the demands of constantly evolving food market and its corresponding trends and stay at the forefront of market development and awareness, utilising this knowledge to expertly guide our customers to the most advanced nutrition ingredient solutions with defined health benefits. We can be the right partner of choice for developing your business in today's ever-conscious Clean Label market by providing more natural, minimally processed and familiar ingredients.

## BUSINESS OVERVIEW

### PRODUCT PORTFOLIO

#### Nutritional Premixes

A Premix is a customized blend where each nutrient component is prescaled and precision blended into a premix. We offer tailor-made premix formulations depending on the customer needs. The offerings are:

- Vitamin Premix
- Mineral Premix
- Amino acid Premix
- Nutraceuticals Premix
- Fortification Premix: Oil, Milk, Flour, Salt, Rice

#### Antioxidants

Antioxidants terminate the oxidation chain reactions and inhibit other oxidation reactions by being oxidised themselves. They do not stop oxidation, but do slow down the rate at which oxidation occurs. The offerings are:

- Natural Antioxidant blends: Mixed tocopherols, Rosemary extracts, Green tea extracts, sunflower oil derived tocopherols and Natural botanical extracts.
- Synthetic Antioxidant & blends: Includes straight or blends of BHA, BHT, TBHQ, Propyl gallate and Ascorbyl palmitate, either offered together and with or without sequestrants and synergists.

### APPLICATION

#### Category

Nutritional & Health foods

Dairy & Beverages

Bakery & Confectionery

Oils & Fats

Convenience Foods

### Straight Ingredients

- Clean label natural food ingredients.
- Choline products: Choline Bitartrate, Choline Chloride
